### **FLY LIKE A BIRD**

This introductory flight to our world of Hang Gliding Trike is a great introduction to aviation in its most recent form. The sky tour will take you to an altitude of 2000 feet and glide back down. How about seeing the world from a Hawk's perspective?

This introductory flight is especially arranged for those registering through CSIEA at a reduced price of \$100.00.

Please check our website at [www.skyadventure.ca](http://www.skyadventure.ca) and find out more about our school.
